Events and participants subject to change

A major music industry conference is coming to Five Towns College, Friday, March 28 and Saturday, March 29. Learn about the future of the recorded music industry, live events production and audio engineering from senior executives and leaders in their fields. There are also events to bolster your career.

Speakers include:

- *Lee Trink, President of Capitol Music*
- *David Miller, SVP, EMI Music*
- *Adam Mirabella, SVP, Sony BMG*
- *Chuck Randall, Tour Manager, Grateful Dead and Alice in Chains*
- *Jim Digby, Production Manager, Linkin Park*

Career panels on...

- *Law School for entertainment law and licensing & copyright*
- *Graduate Business Programs*

Three audio panels stocked with leading engineers.

The event is on the Five Towns College Campus (Dix Hills, NY). Registration includes lunch on both days, dinner on Friday and a concert Friday night.
